

Registration application (including optional registration certificate) and associated practising licence application (if required) for Australian applicants holding a **recognised Australian licence**.

Guidance notes

What you need:

- › Before you apply please make sure you have a licence that we can recognise; the agreement we have only covers current licences issued by [Australian State Licensing Authorities](#).

■ DO YOU MEET THE CRITERIA OF FIT & PROPER PERSON?

The Board must be satisfied that an applicant is a "Fit & Proper" person to be registered. If you are in doubt whether you are "Fit & Proper" then go to this [Policy Document](#) on our website.

If you think you might not meet the Board's criteria then please complete this form and submit it with the appropriate tick. A licensing officer will be in contact to discuss your circumstances. Note the Board has the discretion to licence a person who does not meet the criteria if they are able to show that they are a "Fit and Proper" person to hold a licence.

■ HAVE YOU COMPLETED A NEW ZEALAND COMPETENCE PROGRAMME?

This should be run by a [Board Approved Provider](#) and be no more than two years old. Please provide physical evidence of completion of an EWRB approved Competence Programme as your Provider may not be able to enter this information into our system until after you have applied for this licence.

■ PASSPORT PAGE

The Board will require a certified copy of the personal identity page of your passport to confirm your identity.

■ COPY OF YOUR CURRENT AUSTRALIAN LICENCE(S)

Please submit a certified photocopy of both sides of your current Australian licence or licences.

■ HAVE YOU SUPPLIED A PHOTO FOR YOUR ID CARD? OR IS THIS ALREADY ON FILE?

To ensure that every ID card is produced to a high standard, images submitted with your application must be:

- › a face, head and shoulders shot, looking directly at the camera and less than six months old;
- › no sunglasses, or glasses with tinted lenses that obscure your eyes;
- › 3:4 – width to height ratio, in full colour;
- › between 50KB and 5MB in size (or printed image for paper applications).

The Board may also refuse photographs which are not of adequate quality or are composed in a way that is unsuitable for use on an ID card.

3. Some of the information you provide will be displayed on the [Public Register of Electrical Workers](#). This will be your full name, your class of registration, whether or not you are licensed and any limitations that exist on your registration. The district in which you live will also be included.

4. A checklist is provided at the back of the application form. Work through the checklist to ensure that you have answered all questions and submitted all necessary supporting documents. Complete the checklist before you submit your application for a licence.
